MESSAGE FROM THE PRINCIPAL

St. Joseph's College of Commerce (SJCC) is driven by its objectives of Academic excellence, Character formation and Social concern. What actually sets the institution apart is an inimitable mark that every student of the institution carries. This mark originates from the institution's pursuit for forming young adults and not just educating them. Being a Jesuit institution, students here, are formed as men and women for others and with others. This is the inimitable

mark that all our alumni carry which sensitises them to be aware of the need of their time and also equips them to discern the most effective response to that need.

This campus has always been a place where lasting bonds are formed. Though it is a small campus the space it has given for students to explore their possibilities is vast. Time spent in this campus has created memories for thousands of students. It is not mere nostalgia or a longing for the past days that makes students remember the time spent here. They remember because their lives have been touched and transformed, here in this campus. They remember because, life here, instilled in them a sense of responsibility towards society. They remember because they learnt how to live life not as a mere individual but as person who is part of a larger community. They remember because it is here that they faced challenges and overcame them successfully. And the beautiful part of this is that the College was able to impact students in both big and small ways but nevertheless in significant ways because of the kind of students who entered the campus. The transformation of students in this sense was a self-transformation. The College campus has been lucky to be the space where such transformation happened.

It is the privilege of this institution to be part of the memories of so many students. Today, this institution stands proudly as one the best Colleges in India solely on the goodwill of all those people who were once part of the family of Josephites. The institutions owes them a lot. I thank Kavitha Mutappa and the team for bringing out this newsletter.

God bless

Rev. Fr. Daniel Fernandes SJ
Principal SJCC

PRESIDENTS MESSAGE

Good Morning to one and all,

A very warm welcome to the Annual General Body Meeting of the SJCC OSA.

Firstly, I would like to thank Fr.Daniel Frenandes for wholeheartedly supporting us in all our efforts to bring the OSA to life.

We have been taking a few baby steps and trying our best to have meaningful engagements with the students and making them aware of the OSA.

We started out with simple quiz and debate programmes. Since then, with the help of some batches and alumni we have managed to start a few programmes. I am highlighting our 2 major efforts:

The scholarship fund:

My utmost gratitude to the Batch of 1973. I would fail if I did not mention the names of Mr.Irfan Razack, Mr.FR Singhvi and Mr.Kiran Boal for ensuring that we have a reasonable sized kitty.

This has been helpful to about 100 students, supporting them with their fee payment.

We need more batches to join us in this endeavour to reach more and more students.

Skill Development Program:

Again, with the help of many batches we launched a skill development program for 25 to 30 students who need a push in their final year. This program gives them a better chance of getting a job. This has been well received and we wish to conduct the same, year on year.

I request more batches and alumni to help us to create a corpus fund to ensure that we can continue this program.

In addition, we had our Magis awards, teachers day celebrations, Welcome to the OSA and other interesting activities.

We are trying hard to keep ourselves relevant in today's academic world. We request your support and do join us and help the OSA become vibrant in the years to come!

Kavita Muthappa

FINANCE REPORT FOR ST. JOSEPH'S COLLEGE OF COMMERCE FOR THE FINANCIAL YEAR ENDING 31ST MARCH 2020

I would like to start by first making a small correction in the accounts. Looking at Scholarships in the Schedules we find that, the General Scholarship account shows an amount of Rs.2,60,000/- this figure includes an amount of Rs.1,25,000/- given by the batch of 1991 who now want this amount to be shown separately, which will be done, hence the batch of 1991 scholarship fund stands at Rs.1,25,000/- and the General Scholarship Fund stands at Rs.1,35,000/- Looking at the Balance Sheet we see that the total Scholarship Fund increased by Rs.4,00,000/- this was due to an increase in the Class of 1973 Scholarship Fund. The Awards and Training Fund increased by 9,35,000/- mainly due to a new fund set up this year called the Skills Development Fund and the Devaraj Chordia Charitable Fund. These funds provide skills training to less fortunate students in the college. We are proud to say that the program which was co-ordinated by our Vice President Mr. Chetan Venugopal was a huge success. On the Assets side we see that our Investments increased by 15,27,000/- from 1,42,44,000/- to 1,57,71,000.

During the year we paid out 8,70,000 as scholarships to around 85 students. For the first time the OSA asked for applications for scholarships, we interviewed the student along with their parents and then allotted the scholarships to needy students. Allotment was done irrespective of caste, creed or religion. I wish to state that there is a lot of need in this area. We received over 200 applications we shortlisted 100 applications and allotted 85. The short list were from families earning less than Rs.10,000/- per month. The people we met were drivers, maids, tailors most of whom were non-catholic, we asked them how they managed to get admission in SJCC they being students from none of the prestigious schools, they told us it was God and Fr. Principal who made it possible. I wish to congratulate our Principal Fr. Daniel Fernandes for opening our college to the less fortunate as well. Thank you Fr. Daniel We the Alumni Association makes a request to individuals, batches, etc. to support these less fortunate students there were a lot more who needed money and we had to reject their applications due to lack of funds, further we paid out a mere Rs.10,000/- when the fees are around 70,000 for some courses and a lakh plus for other courses. I humbly request our Alumni to please set up scholarship funds to support the needy in our college.

We also did a training programme for the less fortunate students in the final year to equip them to get a job after their graduation. We started the fund this year and am pleased to inform you that we collected a sum of Rs.8,00,000/-. The cost of the course worked out to Rs.1,20,000/- The students found this course very useful and if we are to continue this course in the future we will need a lot more money in the corpus to fund the training. I again urgently appeal to alumni to be generous. This year for the first time we conducted a Photography workshop for our students and thanks to Anup Kattukaran we were able to earn a sum of Rs.27,400/- We conducted a number of other activities which was reported by our Secretary. I wish to thank our Principal Rev. Fr. Daniel Fernandes for the full hearted support given to the OSA. Thank you to the staff and College union who helped in our activities and last but not the least I thank our Managing Committee who worked as a team in all the activities of the OSA

THE MAGIS AWARD FOR LIFETIME ACHIEVEMENT

PRESENTED TO

Salil Shetty

BY THE OLD STUDENTS' ASSOCIATION,
ST. JOSEPH'S COLLEGE OF COMMERCE (AUTONOMOUS), BANGALORE

FOR THE YEAR 2019

This citation is presented to Salil Rajshekar Shetty for his fierce determination and courage to stand up for the economic, civil, political and human rights of millions of dispossessed people around the world.

A long-term activist on poverty, inequality and injustice, Salil led Amnesty International's worldwide work from 2010 to 2018 to end human rights violations and spearheaded the bold and significant move of Amnesty International's work to the global south.

As Director of the United Nations Millennium Development Campaign between 2003 and 2010, Salil was credited with significantly increasing awareness and holding governments accountable for the Millennium Development Goals worldwide.

Salil has worked alongside, supported and upheld the cause of dispossessed communities around the world. He has spoken about and raised awareness of these issues on major international TV channels and print media. Salil created history when he was the only civil society leader invited to speak to the Heads of State at the UN General Assembly in 2015.

As Chief Executive of Action Aid, a leading international NGO, from 1998 to 2003, Salil took some path-breaking decisions to give power back to communities in the global south.

Salil Shetty's core values mirror those of the Jesuit educational institutions which shaped his youth – St. Joseph's Indian High School and St. Joseph's College of Commerce.

Salil completed his MBA degree from the Indian Institute of Management, Ahmedabad. He was awarded the The Titmuss PhD Prize, a prestigious award, presented annually, to recognise the most outstanding thesis, at the London School of Economics where he secured a Masters in Social Policy and Planning.

The St. Joseph's College of Commerce Old Students' Association proudly awards Salil Shetty with the MAGIS Award for Lifetime Achievement.

THE MAGIS AWARD FOR LIFETIME ACHIEVEMENT

PRESENTED TO

Rahul Dravid

BY THE OLD STUDENTS' ASSOCIATION,
ST. JOSEPH'S COLLEGE OF COMMERCE (AUTONOMOUS), BANGALORE
FOR THE YEAR 2019

On this day, the 27th of November, 2019, this Citation is awarded to Rahul Sharad Dravid for his contribution to the game of cricket and for bringing honour and pride to his Country, State, Community and College.

Rahul's achievements as the Indian cricket team Captain are outstanding. He made history by leading India to their first Test victory in South Africa. He was the first in 35 years to lead India to a series victory in the West Indies and the first in 21 years in England. As skipper, he created a world record of 17 successful run chases in ODIs. He led India proudly and with great distinction in 25 Tests and 79 ODIs, tasting victory in 8 Tests and 42 ODIs.

Rahul's outstanding batting displays in the face of great adversity and on challenging pitches overseas gave him the sobriquet, "The Wall". He was the pillar of the best batting unit in the world.

His record of 13,288 Test runs in 164 Tests at 52.31; 10,889 runs in 344 ODIs at 39.16; 36 Test hundreds and 63 fifties; 12 ODI hundreds and 83 fifties made him one of the world's best batsmen and he finished as the fourth highest Test run-getter of all time.

Following his playing career, Rahul has been a coach of the India A and India under 19 teams – coaching India to victory in 2018. He currently serves as the Head of Cricket at the National Cricket Academy. The future of Indian cricket is truly in safe hands.

His exemplary conduct and the impeccable way he has carried himself on and off the field are a tribute to the values that the great institution of St. Joseph's College of Commerce holds dear.

In cherishing his achievements and values, the St. Joseph's College of Commerce Old Students' Association takes great pleasure and pride in honouring Rahul Dravid with this MAGIS Award for Lifetime Achievement.

THE MAGIS AWARD FOR SIGNIFICANT ACHIEVEMENT

PRESENTED TO

Dilshad Master

BY THE OLD STUDENTS' ASSOCIATION,
ST. JOSEPH'S COLLEGE OF COMMERCE (AUTONOMOUS), BANGALORE
FOR THE YEAR 2019

Dilshad has worked in the media and entertainment space for over 22 years and has several television channel launches to her credit. After completing her Masters in Telecommunication Management from Michigan State University, Dilshad returned to India to work with STAR TV, where she led the launches of Zee Cinema, STAR Plus Hindi, STAR News, and was responsible for the STAR brand launch in the UK.

As Senior Vice President of National Geographic Channel heading Programming and Marketing, Dilshad introduced Indian content internationally, creating some of the channel's most iconic shows – Mission Everest and Mission Udaan. Here she tied up with the Indian Army and the Indian Air Force respectively, bringing an insider's view into India's armed forces. Under Dilshad's leadership, The History Channel was also launched in India and she guided it's Indianization to ensure its appeal to Indian audiences.

Dilshad's last held responsibility in the broadcasting space was as Chief Operating Officer of UTV Entertainment, where she launched two more channels – bringing it to a total of seven television channels in India - an incomparable feat that has probably remained unmatched till date.

Dilshad moved out of the broadcasting space to explore her next big passion - adventure travel. Today, she sits on the board of Outward Bound India - Himalaya, an international organization that provides life skills by experiential training in the outdoors. The main aim of the program is to get people out of their comfort zones to explore their true potential.

As an adventurer and explorer, Dilshad has led several treks in Nepal and India (including Mount Everest Base Camp), tackled Grade 5 rapids on the wild Zaskar river in Ladakh, and is the first and only female to ever lead a civilian trek to the Siachen Glacier – all of this after surviving cancer.

Dilshad is also a motivational speaker and speaks on topics closest to her heart. She focuses on urging children and professionals to go into the wilderness to understand leadership and responsibility, teamwork and personal growth, aspirations and ambitions.

The Old Students' Association of St. Joseph's College of Commerce is proud to award Dilshad Master with the MAGIS Award for Significant Achievement.

THE MAGIS AWARD FOR SIGNIFICANT ACHIEVEMENT

PRESENTED TO

B M Giriraj

BY THE OLD STUDENTS' ASSOCIATION,
ST. JOSEPH'S COLLEGE OF COMMERCE (AUTONOMOUS), BANGALORE

FOR THE YEAR 2019

B M Giriraj - "Giri" as he is affectionately called - is a gifted human being bestowed with the capability of contributing to social change and development through his creativity as a film and theatre personality.

To the students of St. Joseph's College of Commerce, he has been an inspiration for believing in one's passions and pursuing them with utmost dignity, integrity and perseverance. Leading the Theater Club (ENACT) for all three years, and subsequently as a Mentor to the 2005 batch was indeed a sign of things to come.

To society, Giriraj has been a guiding light - addressing social and cultural issues through his films and plays. He has directed three films with State, National and International recognition and acting in over 2000 street plays.

It is worth mentioning the movie he directed "Mythri" which has the luminous cast of Puneeth Rajkumar, Mohanlal, Atul Kulkarni and music by Maestro Isaignani Ilayaraja.

His novel "Kathege Savilla" won the Sahithya Parishad award and his play "Sugandhada Seemeyache" won the Nataka Academy award.

He also wrote and directed the Karnataka government's magnum opus, "Bharata Bhagya Vidhata", a dance musical based on the life of Dr. Babasaheb Ambedkar with 75 artists performing and staged in all 30 districts of Karnataka.

Giri, to every Josephite, is the perfect embodiment of the Josephite Motto "Faith and Toil". A person who said NO to the ordinary because he dared to be different, and made a difference with passion and a never-say-die attitude.

For all this, it is our pleasure and honor to present B M Giriraj with the St. Joseph's College of Commerce Old Students' Association MAGIS Award for Significant Achievement.
