# MESSAGE FROM PRINCIPAL DR. CHARLES LASRADO , SJ

Vibrancy of any institution largely depends on the active participation of all its stakeholders. For an educational institution, its alumni are important stakeholders. The SJCC is blessed with active alumni.

I am glad that the management committee of OSA meets regularly. It not only chalks out definitive activities for the benefit of alumni but also lends invaluable support to the students of SJCC through various programs and projects.

The last six months of the year 2023 have been full of activities. Inter-batch cricket, hockey and football tournaments, an exhibition hockey match between SJCC Alumni and Former Indian Stalwarts, Bikers Ride 2023, Golden Jubilee Reunion of first batch of graduates of SJCC, Magis Awards -the annual recognition of significant achievers, recognition of best outgoing students by the Alumni and Skill Development Program for 60 economically weak students of SJCC are just a few highlights.

I would like to acknowledge the support given by the OSA to the present students of the college by way of offering seminars and skill development programs; and the effort made in bring the past students back to campus through inter-batch sports & games.

I wish all the best for the activities lined up for the second half of the year.
